HOUSE OF REPRESENTATIVES,

HON. EMANUEL CELLER,
Chairman, Judiciary Committee,
House of Representatives, Washington, D. C.

DEAR MR. CELLER: Find attached documents of adoption concerning my bill (H. R. 4632) to effect entry of a minor child adopted by United States citizens.

Here quoted is a letter from Sgt. Arthur R. Converse, Jr., requesting that legislation be introduced in order that he might bring his adopted daughter back to the United States on his return:

JUNE 20, 1951.

Representative HAROLD A. PATTEN,
House of Representatives, Washington, D. C.

DEAR SIR: I am a staff sergeant stationed in Germany. My wife and I, being childless, were lately attracted to a very sweet 7-month-old baby girl that we are now taking steps to adopt. However, being born since June 30, 1950, she does not come under the Displaced Persons Act for entry into the United States. We have been informed by personnel at the American consulate's office that it takes considerable time, several years, for her number to come up on the ordinary quota. This has us worried, as I could be shipped home before her number comes up and she would have to remain here in Germany. Both my wife and I would appreciate any help that you can give us.

Through friends, we have learned that in some cases a special bill has been introduced to allow certain persons to enter the United States. The following information is submitted: Name of child, Linda Lee Converse; born November 24, 1950; place, Offenbach, Germany.

I am a resident of Tucson, Ariz. My last address there was 1615 North Columbus Boulevard, Tucson. Thank you very much.

Staff Sgt. ARTHUR R. CONVERSE, Jr. (AF-18001620),
Box 82, Second Radio Squadron, Mobile A. P. O. 175, care of Postmaster, New York.

I shall appreciate the committee's early action on this legislation. Thanking you for your cooperation, I remain,

Sincerely yours,

HAROLD A. PATTEN, Member of Congress.
